

Team 2311: Felice, Jimmy, Josh, Maddalen, Neo, Nicole

Client: John Pecak

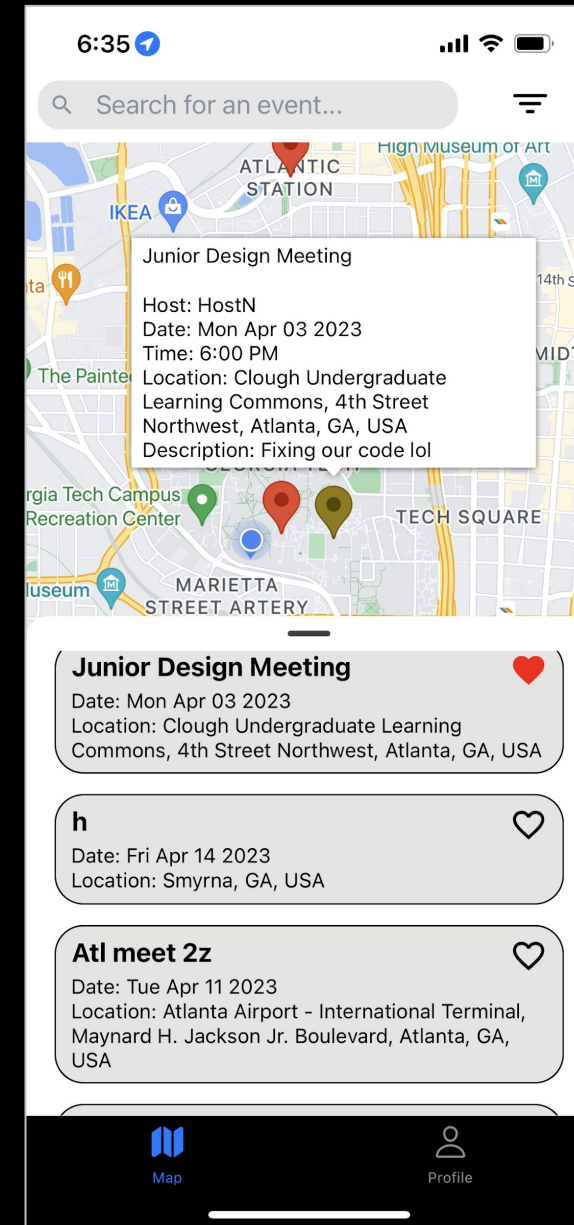

# Purpose

- The car community has many events for car enthusiasts to. Communication lacks in the car community, making events hard to find and share with others.
- Our app creates a centralized platform for car enthusiasts to communicate on.
- Users are able to post and favorite events, while seeing them on a map

# Map Screen

## Features:

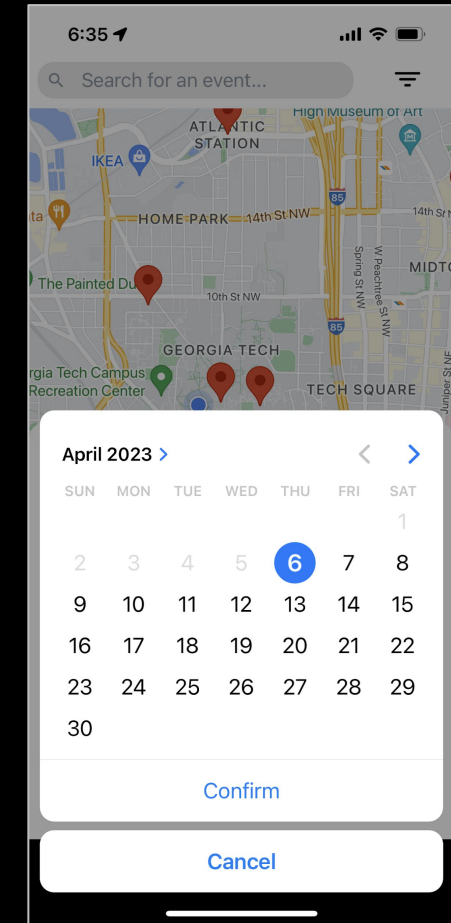

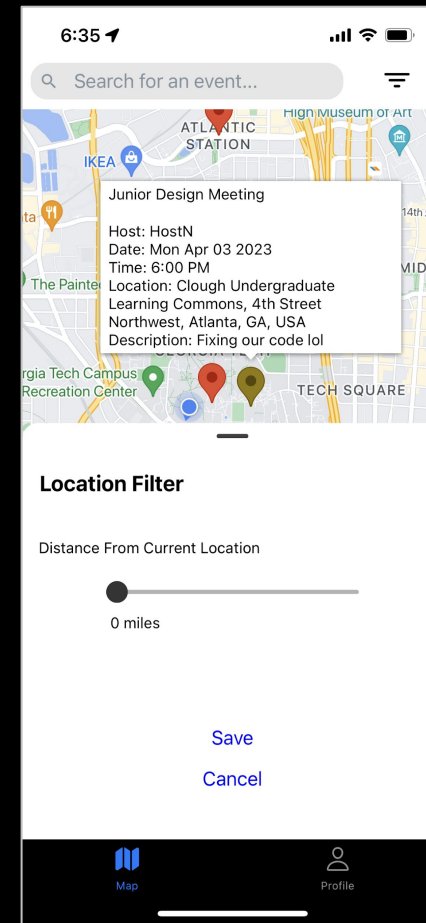

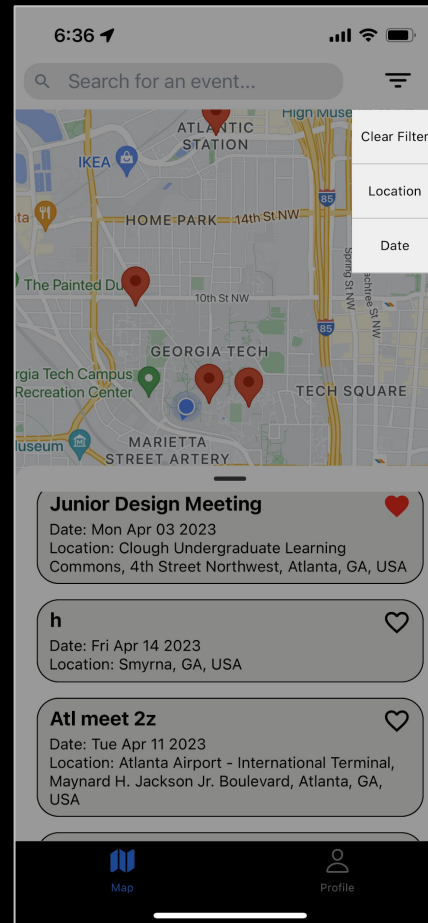

- Search bar to filter for events
- Ability to filter by title, date, proximity
- Zoom in feature on events
- Event markers and details associated with each event
- Map that shows user's current location

# Map Screen (Continued - Filtering)

## Features:

- Filter by date
- Filter by proximity from current location
- Filter by event title

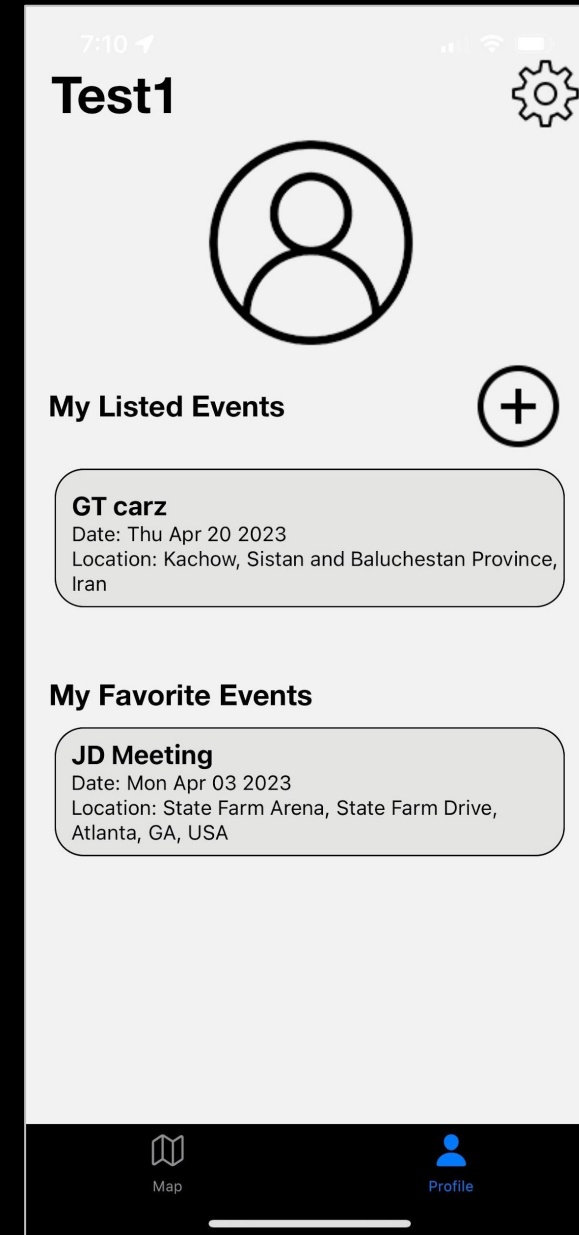

# Profile Screen

## Features:

- Displays username and profile picture
- Displays favorited events

## For hosts:

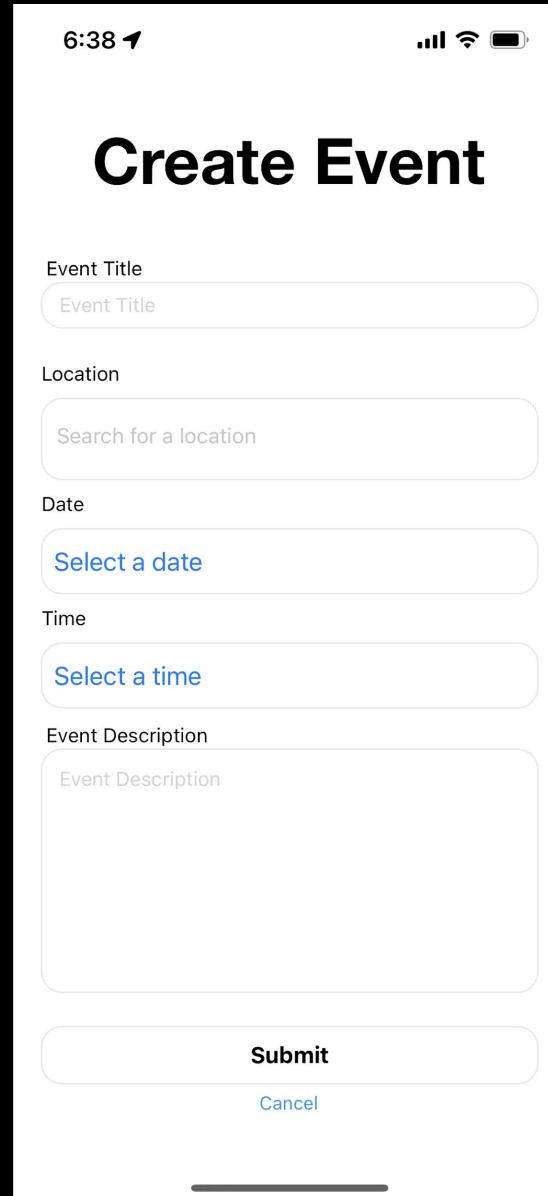

- Displays event listings that belong to the host
- Ability to create new event and edit existing events

# Event Creation Screen

## Features:

- Ability to make a new event by choosing an event title, location, date, time, and description

The main 'Create Event' screen features a white background with a title bar at the top showing the time 6:38 and status icons. The title 'Create Event' is centered in bold black text. Below the title are five input fields: 'Event Title', 'Location', 'Date', 'Time', and 'Event Description'. Each field has a light gray placeholder text. At the bottom, there are two buttons: 'Submit' and 'Cancel'.

# Event Editing Screen

## Features:

- Ability to edit existing event by choosing event title, location, date, time, and description
- Edited events are updated on map screen
- Ability to delete an event

The 'Update Event' form is a white rectangular box with a black title 'Update Event' at the top. It contains five input fields: 'Event Title' (Atlantic Station Meetup), 'Location' (Atlantic Station, Atlanta, GA, USA), 'Date' (Thu Apr 20 2023), 'Time' (6:36 PM), and 'Event Description' (Atlantic Station Meetup). At the bottom, there are two buttons: a white 'Submit' button and a red 'Delete Event' button.
